Summer Challenge

We do like to be beside the seaside. We all like a day at the seaside / beach. Capture a series of images that describe a day at the beach, seaside resort or coast. Ideally not the typical postcard views or holiday snaps but your own different perspective. The images could be from a location in the UK or abroad. Hopefully, we might get a decent summer.

PDI Challenge 1

The Movies Capture some images that represent the title, a famous scene, characters or the story of your favourite movie(s).

**Pelican Rock by Fay Saunders
Winner Colour Print of the year 2025**

PDI Challenge 2

Fill the frame, The subject must fill the whole frame to create an impactful image that has the subject centre stage and the viewer drawn to the details. Eliminate clutter, distractions and anything unnecessary in the foreground or background.
