Summer Challenge

We do like to be beside the seaside. We all like a day at the seaside / beach. Capture a series of images that describe a day at the beach, seaside resort or coast. Ideally not the typical postcard views or holiday snaps but your own different perspective. The images could be from a location in the UK or abroad. Hopefully, we might get a decent summer.

PDI Challenge 1

The Movies Capture some images that represent the title, a famous scene, characters or the story of your favourite movie(s).

Pelican Rock by Fay Saunders
